

Red rubber ball

I should have known you've bid me farewell
There's lesson to be learned from this
And I learned it very well
Always running never caring
That's the life you live
Stolen minutes of your time
Were all you had to give

And I guess it's gonna be alright
Yes the worst is over now
The morning sun is shining
Like a red rubber ball
I guess it's gonna be alright
Yes the worst is over now
The morning sun is shining
Like a red rubber ball

Now you never cared for the secrets I could find
To you I'm just an ornament
Something for your mind
This roller coaster ride we took
Is nearly at an end
I bought my ticket with my tears
That's all I'm gonna spent
