Remember me

The sweetest songs belong to lovers in the gloaming
The sweetest days were the days that used to be
The saddest words I ever heard were words of parting
When you said Sweetheart remember me

Remember me when the candle lights are gleaming
Remember me at the close of a long long day
It would be so sweet, when all alone I'm dreaming
Just to know you still remember me

You told me once that you were mine alone forever
And I was yours 'til the end of eternity
But all those vows are broken now and we will never
Be the same except in memory

* Refrain

A brighter face may take my place when we're apart dear
A sweeter smile, and a love more bold and free
But in the end, fair weather friends may break your heart dear
If they do, sweetheart, remember me

* Refrain
