**The storms are on the ocean**

I'm going away for to leave you, love  
I'm going away for a while  
But I'll return to you some time  
If go ten thousand miles

The storms are on the ocean  
The heavens may cease to be  
This world may lose its motion love  
If I prove false to thee

Now, who will shoe your pretty little feet  
And who will grove your hands  
Who will kiss your red rosy cheek  
Till I come back again

\* Refrain

Pappa will shoe my pretty little feet  
Momma will glove my hands  
And you can kiss my red rosy cheeks  
When you return again

\* Refrain

See that lonesome turtle dove

As he files from pine to pine  
He's mourning for his own true love  
Just the way I mourn for mine

\* Refrain

I'll never go back on the ocean, love  
I'll never go back on the sea  
I'll never go back on the blue eyed girl  
Till she goes back on me

\* Refrain
