**Walk softly on this heart of mine**

You say you're sorry once again dear  
You want me to take you back once more  
You say you need a helpin hand dear  
But thats what you told me once before

Walk softly on this heart of mine love  
Don't treat it mean and so unkind  
Let it rest in peace and quiet love  
Walk softly on this heart of mine

I know you soon will find a new love  
I feel your heart is turned to stone  
But please let mne down real easy  
For loneliness moves in as you move on

\* Refrain
