

Bluegrass Songs - Lyrics
www.traditionalmusic.co.uk

We need a whole lot more of Jesus

You can read it in the morning paper
Hear it on the radio
How crime is sweeping the nation
This world is about to go

We need a good old case of salvation
To put the love of God in our soul
We need a whole lot more of Jesus
And a lot less rock and roll

We need more old time camp meeting
And a lot more prayers of faith
Prayers that will move a mountain
Save our souls from the burning wave

* Refrain

We need more old fashioned preachers
Pouring out their hearts in prayer
When you're in their presence
You know that the Lord is there

* Refrain
