**Why don't you tell me so**

I can tell by the look in your eye  
That you still care for me  
But somehow you just won't admit  
That's why I'm so lonesome you see

Now if you have made up your mind  
And if you still want me to know  
Why do you keep me in doubt  
Why don't you tell me so

Each night there are tears on my pillow  
They're all because of you I know  
Dear I can't go on this way  
Why don't you tell me so

\* Refrain

Now there'll come a time little darling  
When you will want me I know  
But dear it will then be too late  
For you to tell me so

\* Refrain
