**Will you be satisfied that way**

We've been together for so long  
It hurts to know your love is gone  
Here's all my lonely heart can say  
Will you be satisfied that way

Will you be satisfied to roam  
Will memories stay when you are gone  
A new love led your heart astray  
Will you be satisfied that way

Its hard to stay when love is cold  
So often that's the story told  
I'm not asking that you pity me  
Will you be satisfied that way

Deep down inside love you yet  
I've suffered but there's no regret  
Love can't be bought it must be free  
Will you be satisfied that way
