**You've been a friend babe**

Thru the long night in your kitchen over coffee  
We'd talk and listen to the rain outside  
I'd unload my mind of all it's troubles  
And you'd smile and say that you were on my side

You were someone I could always turn to  
When it seems there was no one left for me  
I'd say you've really been a friend, babe  
When you knew that friends was all we'd ever be

As the day goes by the memories grow fonder  
Of the happy hours that I spent there with you  
And it makes no difference where I wander  
The nights are brighter when I dream of you

Just to know there's someone always waiting  
With a gentle word and a friendly smile for me  
I'd say you've really been a friend, babe  
When we knew that friends were all we'd ever be

I'd say you've really been a friend, babe  
But you knew you're more than just a friend to me
