Oh yeah, oh yeah, oh yeah, oh yeah.

When I went down, my girlfriends house

And I sat down, lord, on her front step.

And she said, "A-come in now Jimi, my husband just now left,

Just now left..."

Oh yeah, oh yeah, oh yeah, oh yeah.

Well, there's two, two trains runnin',

But there's not one, lord, that's goin' my way.

You know there's a one train runnin' at midnight,

Other one leave just for a day, leave just for a day.

Oh yeah, oh yeah, oh yeah, oh yeah.
