     G
Baby here I stand before you

With my heart in my hand

I put it to you mama
       G7
Hoping that you'll understand
    C   C7 C
Oh, baby
                         G
Mama, please don't dog me round
     D                                C
Yeah I, I would rather love you, baby
     C7                    G   C G  D7
Than anyone else I know in town

        G
This is my confession, Mama

And it's sung by all your song

It proves that I'm in heaven, Mama
         G7
When you hold me in your arms
      C   C7 C
Well, baby
                       G
Can I have you for myself
        D                          C
Yeah, if I can't have you, baby
        C7           G    C G  D7
I don't want nobody else

      C   C7 C
Well, baby
                         G
Don't you want a man like me?
      C   C7 C
Well, baby
                         G
Don't you want a man like me?
      D                                C
Yeah, think about your future, baby
        C7                G  C  G
Forget about your used to be
