ROCKY ROAD BLUES - Tom Fogerty
(probably written by him too)
album: Excalibur (1972)
tab transcribed by Collins Crapo

Well, my road is rocky, but it won't be rocky long
Yeah, my road is rocky, but it won't be rocky long
Well, another man has got my baby and gone

Verse 2:

I've got the blues, I'm a-wearin' the soles right out of my shoes
I've got the blues, I'm a-wearin' the soles right out of my shoes
My baby ran away and left me with the doggone blues

Verse 3:

You're gonna lap up this water till the old old well runs dry
You're gonna lap up this water till the old old well runs dry
You never miss your baby till she says goodbye

(instrumental, same pattern as verse)

(repeat all 3 verses)
