

## St James Infirmary-lyrics

St. James Infirmary - Janis Joplin, Joe Turner, Josh White

I went down to old Joe's bar room,  
on the corner by the square  
Well, the drinks were bein' served as usual,  
and this motley crowd was there

Well, on my left stood Joe McKennedy,  
and his eyes were bloodshot red  
When he told me that sad story,  
these were the words he said:

I went down to the St. James infirmary,  
I saw my baby there  
She was stretched out on a long white table,  
so cold, and fine, and fair  
Go ahead!

Let her go, let her go,  
God bless her, wherever she may be  
She can search this world over,  
never find another man like me

Yes, sixteen coal black horses,  
to pull that rubber tied hack  
Well, it's seventeen miles to the graveyard,  
but my baby's never comin' back

Well, now you've heard my story,  
well, have another round of booze  
And if anyone should ever, ever ask you,
