

Juanita  
(Parsons/Hillman)

No affection were the words that stuck on my mind  
When she walked out on me for the very last time  
Oh mamma sweet mamma can you tell me what to say  
I don't know what I've done to be treated this way

In a cold dirty room that's where I found myself  
With a bottle of wine and some pills off the shelf  
Oh mamma sweet mamma can you tell me what to say  
I don't know what I've done and I'm feeling so ashamed

Then an angel appeared she was just 17  
In a dirty old town with a conscious so clean  
Oh mamma sweet mamma can you tell me what to say  
She's brought back the life that I once threw away
