

Saturday Afternoon / Won't You Try

Won't you try
Won't you try
Won't you try
Find a way to need someone
Find a way to see
Find a way to need someone and the sunshine will set you free
Won't you try
Won't you try
Won't you try
With love before we're gone

Saturday afternoon
Saturday afternoon
When your head is feeling fine
You can ride inside our car
I will give you caps of blue and silver sunlight for your hair
All that soon will be is what you need to see, my love
Won't you try
Won't you try
I do care that you do see
Is it time to leave, my lady
Yes it is I know
Round about and everywhere sunshine instead of snow
Times can't change that what I say is true
