

Christmas Carol (Smith)

Words and Music: E. B. Smith, 1878

A star shone in the heavens
On Christmas morn,
Above the place where Jesus,
The Lord, was born.

Refrain

O holy, holy Christmas,
O blessed, blessed Christmas,
O joyful, joyful Christmas,
When Christ was born.

The wise men saw the brightness,
And came from far;
They found the way to Jesus,
Led by the star.

O holy, holy Christmas,
O blessed, blessed Christmas,
O joyful, joyful Christmas,
When Christ was born.

Oh, may this star of beauty
Still point the way,
To lead us all to Jesus,
This Christmas day.

O holy, holy Christmas,
O blessed, blessed Christmas,
O joyful, joyful Christmas,
When Christ was born.
