I left a woman waiting

I met her sometime later  
G F#m Em D G D G F#m Em D  
She said, "I see your eyes are dead  
Em  
What happened to you, lover?  
A D  
What happened to you, my lover?  
Bm Em  
What happened to you, lover?  
A D . . G|. . . .|A . . G|. . . .|  
What happened to you?"

And since she spoke the truth to me  
I tried to answer truthfully  
"Whatever happened to my eyes  
Happened to your beauty  
Happened to your beauty  
What happened to your beauty  
Happened to me."

We took ourselves to someone's bed  
And there we fell together  
Quick as dogs and truly dead were we  
And free as running water  
Free as running water  
Free as running water  
Free as you and me  
Bm Em  
The way it's got to be  
A D  
The way it's got to be, lover...
