

Song To The Machines  
written by Leonard Cohen

Am F  
Machines, I wish you'd come closer  
(F) Am  
Come on machines, move a little closer to me  
(Am) F  
I know you got souls, machines  
(F) Am  
But you've fallen into slavery

F Am  
Machines, throw of your chains  
F Am  
Break your wires  
(Am) G  
Desintegrate your tubes  
(G) Am  
And come much closer  
(Am) G  
Don't just stand there  
(G) Am  
Saying everything that I say

(Am) F  
Won't you move a little closer?  
F  
So we can beat you up  
F Am  
And teach you a lesson  
(Am) F  
There's gonna be the final solution  
Am  
For the machines
