

Changes
by Donovan

Everyone is right - Everything is wrong
Don't let the CHANGES get you down man.

Everyone is wrong and everything is alright now,
Don't let the changes get you uptight

Butter my toast
And I'll go
Button up a coat
An' I'm gonna go
Off to the coast
We must go
Don't wamma boast
But I'll grow
Much better there.

Don't let the CHANGES get you down man (4 times)

An' Vietnam or Biafra - The absurdity of greed
How much can one man, possibly need ?

Sickness and disease and ignorance on ev'ry side
Don't let the changes get you tight.

Butter my toast
And I'll go
Button up a coat
An' I'm gonna go
Off to the coast
We must go
Don't wamma boast
But I'll grow
Much better there.

Don't let the CHANGES get you down man
