

I Am The Shaman (Bonus)  
by Donovan

Yon wheeling of great stars  
Hath cast a silver web around my heart  
Upon an Elfin-Sea  
In ship of filigree  
And look upon her prow  
Asign upon her brow  
She guides us on our way  
When hearts they go astray

Lorralie, Lorralie  
Who will dry your pretty eyes  
Lorralie as you fly  
Around those starry skies  
Lorralie, why oh why  
Why oh why oh Lorralie

Yeahman, I am the Shaman  
Yeahman, I am the Shaman  
Yeahman, I am the Shaman  
Yeahman, I am the Shaman

All those wheeling of great stars  
They cast a spell on me  
As I wonder through the stars  
Linda love and me  
I don't know how I got here  
But I know where I go  
As I wonder all I know  
All I know

Lorralie, Lorralie  
Who will dry your pretty eyes  
As you fly, Lorelei  
Around these starry skies  
Lorralie, Lorralie  
Lorralie oh why oh why

Yeahman, I am the Shaman  
Yeahman, I am the Shaman  
Yeahman, I am the Shaman  
Yeahman, I am the Shaman  
Yeahman, I am the Shaman  
Yeahman, I am the Shaman

Yeahman, I am the Shaman  
Yeahman, I am the Shaman  
Yeahman, I am the Shaman  
Yeahman, I am the Shaman
