

Don't Give Up 'Till It's Ove  
Written by Johnny Duhan  
chords G=D, C=G, and A=D

[G]Don't give up[D] till it's [D]over, [C]don't quit if you [G]can  
The [D]weight upon your [G]shoul[C]der will [G]make you a [D]stronger[G] man

Grasp your nettle tightly, though it will burn  
Treat your failures lightly, your luck is bound to turn  
Chorus

Look at the autumn flowers how they wither and fade  
With nature's hidden powers, next year they'll be re-made  
Chorus

Watch the full moon rising, like a ghost of the sun  
Oh, dawn will be more surprising, when a new day has begun
