

Ojos Negros

Que vendo dos ojos negros,
Quin me los quieren comprar?
Que los venden por embusteros,
Porque me han pagados mal.

A veces dan confianza,
a veces me hacen dudar,
a veces dan esperanza,
y no s cmo se acertar.

Yo ms quisiera,
ms te amo yo,
y todas las noches la paso,
suspirando por tu amor.

ENGLISH

Two eyes of black I sell them,
Will anyone take them from me?
On sale for being deceitful,
they weren't good to me.

At times they made me trust them,
at times they made me doubt,
at times they made me hopeful,
I just never got it right.

For me my greatest dream is,
to love you forever more,
but nights I spend a-wonderin',
a-longin' for your love.
