 Is an ghrian ag ir
 T 'n coileach a' fgairt an lae

When the cock crows it is day
 When the cock crows it is day
 The pig is at the door
 Requesting you to open it
 When the cock crows it is day

When the cock crows it is day
 When the cock crows it is day
 The hen and her chickens are
 Sleeping pleasantly.
 When the cock crows it is day

When the cock crows it is day
 When the cock crows it is day
 The one horned cow is providing
 Milk for the family.
 When the cock crows it is day

When the cock crows it is day
 When the cock crows it is day
 The moon is setting
 The sun is rising.
 When the cock crows it is day.
