Additional verses not sung by Dylan

O holy Child of Bethlehem
 Descend to us, we pray
 Cast out our sin and enter in
 Be born to us today
 We hear the Christmas angels
 The great glad tidings tell
 O come to us, abide with us
 Our Lord Emmanuel

For Christ is born of Mary
 And gathered all above
 While mortals sleep, the angels keep
 Their watch of wondering love
 O morning stars together
 Proclaim the holy birth

**And praises sing to God the King
And Peace to men on earth**
