On a night like this ${\tt B}$

So glad you came around,

Hold on to me so tight

And heat up some coffee grounds.

We got much to talk about Am/f#

And much to reminisce,

- -----

It sure is right

On a night like this.

On a night like this
So glad you've come to stay
Hold on to me, pretty miss
Say you'll never go away to stray.
Run your fingers down my spine
Bring me a touch of bliss
It sure feels right
On a night like this.

On a night like this
I can't get any sleep,
The air is so cold outside
And the snow's so deep.
Build a fire, throw on logs
And listen to it hiss
And let it burn, burn, burn, burn
On a night like this.

Bridge:

Put your body next to mine

And keep me company,

There is plenty a room for all,

So please don't elbow me.

Let the four winds blow
Around this old cabin door,
If I'm not too far off
I think we did this once before.
There's more frost on the window glass
With each new tender kiss,
But it sure feels right
On a night like this.
