E    E/g#  A     E
E    E/g#  A
A    B     E     A
E    E/g#  A     E

        E                     E/g#
Seen a shooting star tonight
       A               E
And I thought of you
E                                E/g#
You were trying to break into another world
   A
A world I never knew
A                 B
I always kind of wondered
        E           A
if you ever made it through
        E               E/g#
Seen a shooting star tonight
       A               E
And I thought of you.

Seen a shooting star tonight
And I thought of me
If I was still the same If I ever became
what you wanted me to be
Did I miss the mark or overstep the line
that only you could see
Seen a shooting star tonight
And I thought of me.

Bridge:
C#m                    /c
Listen to the engine listen to the bell
/b                      /a#
As the last firetruck from hell
A           B               E
goes rolling by, all good people are praying
        C#m                /c
It's the last temptation the last account
       /b                      /a#
The last time you might hear the sermon on the mount

Seen a shooting star tonight slip away.
