

A WORLD OF OUR OWN - ELVIS PRESLEY  
(Words and music by Giant - Baum - Kaye )

You kiss me darling, a miracle starts  
A magic feeling, comes into our hearts  
The spell of love began, when we're alone  
And we're in, a world of our own

You say you want me, and music I hear  
Touch me my darling, and clouds disappear  
The sky is bright above, and cares have flown  
And we're in, a world of our own

Holding you close, is heaven  
Only I know, what it's worth  
Knowing you're mine, forever  
Is the greatest wonder on earth

Nothing can change it, the magic's begun  
When we're together, our hearts become one  
I find a happiness, I've never known  
When we're in, a world of our own

When we're in...a world of our own...
