 Whether I'm riding down a highway, or walking down a street..  
 it makes no difference baby-doll, wherever we chance to meet..

 Each time I hold your little hand, it makes me feel so very nice.  
 Ab C# Ab  
 Anyplace is paradise, when Im with you.

## #2.

Ab C#  
 Whether we're standing on your doorstep, or sitting in a park..  
 or strolling down a shady lane, or dancing in the dark..  
 F#  
 where I can take you in my arms..and look into your pretty eyes..  
 Ab C# Ab  
 Anyplace is paradise, when Im with you.

 Give me a cave up in the mountains, or a shack down by the sea..  
 and I will be in Heaven, honey, if you are there with me..  
 F#  
 Where I can kiss your pretty lips, see the love-light in your eyes..  
 Ab C# Ab  
 Anyplace is paradise, when Im with you.

 Baby, Id live deep in the jungle, and sleep up in a tree..  
 and let the rest of the world go by, if you were there with me..  
 F#  
 Where I could love you all the time, baby, a jungle would be fine.

 Anyplace is paradise, when Im with you.
