

ANYPLACE IS PARADISE - ELVIS PRESLEY  
(Words and music: Joe Thomas)

Whether I'm riding down a highway  
Or walking down a street  
It makes no difference, baby doll  
Wherever we chance to meet  
Each time I hold your little hand  
It makes me feel so very nice  
Anyplace is paradise  
When I'm with you

Whether we're standing on your doorstep  
Or sitting in a park  
Or strolling down a shady lane  
Or dancing in the dark  
Where I can take you in my arms  
And look into your pretty eyes  
Anyplace is paradise  
When I'm with you

Give me a cave up in the mountains  
Or a shack down by the sea  
And I will be in heaven, honey  
If you are there with me  
Where I can kiss your pretty lips  
See the love-light in your eyes  
Anyplace is paradise  
When I'm with you

Baby, I'd live deep in the jungle  
And sleep up in a tree  
And let the rest of the world go by  
If you were there with me  
Where I could love you all the time  
Babe, a jungle would be fine  
Anyplace is paradise  
When I'm with you
