I seem to search the whole day through..  
A A7 D G D  
for anything that's part of you.

D Dmaj7 D7  
I kept a ribbon from your hair..  
D7 G  
a breath of perfume lingers there.  
G D A  
It helps to cheer me when Im blue..  
A D G D  
anything that's part of you.

CHORUS:

D G  
Oh, how it hurts to miss you so..  
A7 D G  
when I know you don't love me, anymore.  
D A A7  
To go on needing you..knowing you don't need me.
