

BLUE RIVER - ELVIS PRESLEY  
(Words and music by Evans - Tobias)

Blue river, it can't be found on any map that I know  
But it's the place where lonely lovers all go  
To cry their tears, blue river  
It winds along a path of heartache and pain  
Of broken dreams from lovin' someone in vain  
Like I loved you, and baby I still do

I held you so tight  
You were out of my sight  
I'm feelin' so low  
But I gotta go  
Blue river because you never really cared about me  
From now on baby that's where I'm gonna be  
Cryin' over you, by the river of blue
