

Daddy Don't Cry

Intro: D F G D C

D

Today I stumbled from my bed,

F#

With thunder crashing in my head

G

D

C

My pillow still wet from last night's tears,

D

And as I think of giving up,

F#

A voice inside my coffee cup,

G

C

A

Kept crying out, ringing in my ears

Chorus

A D

Em

Don't cry daddy, daddy please don't cry,

A G

A

Daddy you still got me and little Tommy,

D

G

Together we'll find a brand new mommy,

C

A

Daddy, daddy please laugh again,

F

A

Daddy ride us on your back again,

G

A

D

Oh daa-addy please don't cry,

D F G D C

Verse 2

Why are children always first,

To feel the pain and hurt the worst?

It's true somehow it just don't seem right,

Cause everytime I cry I know,

It hurts my little children so,

I wonder, will it be the same tonight?

Repeat chorus

Oh daa-addy please don't cry.
