

DO YOU KNOW WHO I AM - ELVIS PRESLEY
(Words and music by Russell)

Do you know who I am
Have you have any idea who I am?
Yes it's been quite a while
And it's so good to see you again

It's so dark in this place
That I can't see your face
May we leave? Oh, I see...
Does he know who I am
And what once was between you and me?

Do you know how I tried
Have you any idea how I tried
Not to keep you in sight
Do you know darling how much I cried?

I remember you said
That you had to forget about me and be free
Do you know who I am or have you forgotten about me?

Do you think there's a chance
You and I could start over anew
Is there a prayer you still care
Or has it just been too long and we're through?
Well, what about you and him
Oh he's only a friend
Well I see there's still a chance for me

Maybe some other time, in some other place
With our love in your heart and a smile on your face
You will know who I am
When that time comes you'll know who I am
You will know who I am
When that time comes you'll know who I am
You will know who I am
When that time comes you'll know who I am
