

DOUBLE TROUBLE - ELVIS PRESLEY  
(Words and music by Pomus - Shuman)

Some guys fall in love with one girl, I gotta fall for two  
There's just so much lovin' that one heart's supposed to do  
So I go around with my heart draggin' on the ground  
Doggin' me around, I'm the sorriest sight in town

I got double trouble, I got double trouble  
I got double trouble twice as much as anybody else oh yeah!

I guess there's gotta be two dark clouds hangin' over me  
My future looks a bumpy as a matchbox on the sea  
Every time I think that I have finally got it made  
Some losin' cards are played, I just can't make the grade

I got double trouble, I got double trouble  
I got double trouble twice as much as anybody else oh yeah!

I got double trouble, I got double trouble  
I got double trouble twice as much as anybody else oh yeah!
