

EASY QUESTION - ELVIS PRESLEY

(Words and music: Otis Blackwell / Winfield Scott)

Do you or dont you love me,
Such an easy question,
Why cant I get an answer,
Tell me, will you or wont you need me,
Such an easy question,
Why cant I get an answer.

All you do is give a sigh
And beat around the bush,
Can it be that youre too shy
To give yourself a little old push.
Can you or cant you tell me yes,
Its such an easy question,
Why cant I get an answer.

All you do is give a sigh
And beat around the bush,
Can it be that youre too shy
To give yourself a little old push.
Can you or cant you tell me yes,
Its such an easy question,
Why cant I get an answer, oh yeah.

Its such an easy answer,
To such an easy question,
Why cant I get an answer,
To such an easy question.
