

FORGET ME NEVER - ELVIS PRESLEY  
(Words and music by Wise - Weisman)

If I should go, forget me never  
Please say that you'll remember me  
I pray the dreams we share together  
Will shine on in your memory

Each time a star falls out of heaven  
It leaves the sky a deeper blue  
So if we part, forget me never  
And don't forget my love for you  
And don't forget my love for you
