

Home Is Where The Heart Is
(Elvis Presley Kid Gallahad 1962)

Intro: C - a - e - a - F - C - C

Home is where the [a] heart is
And my [e] heart is [a] anywhere you are
[F] Anywhere you [G] are is [C*] home
I don't need a [a] mansion on a [e] hill
That [a] overlooks the sea
[F] Anywhere you're with [G] me is [C*] home

[e] Maybe I'm a [F] rolling stone
[e] Who won't a[F]mount to much
[e] But everything that [F] I hold dear
Is [D] close enough to [G**] touch

For home is where the heart is
And my heart is anywhere you are
Anywhere you are is home

Maybe I'm a rolling stone
Who won't amount to much
But everything that I hold dear
Is close enough to touch

For home is where the heart is
And my heart is anywhere you are
Anywhere you are is ...

[C] Home, [F] home, [d] home, [F] home, [C] home
