

I'VE LOST YOU - ELVIS PRESLEY  
(Words and music by Howard - Blaikly)

Lying by your side I watch you sleeping  
And in your face the sweetness of a child  
Murmuring the dreams you won't recapture  
Though it will haunt the corners of your mind

I've Lost though you're near me  
And your body's still this kind  
I've lost you on a journey,  
But I can't remember where or when

Who can tell when summer turns to autumn  
And who can point the moment love grows cold  
Softly without pain the joy is over  
Though why it's gone we neither of us know

Oh, I've lost you yes, I've lost you  
I can't reach you anymore  
We ought to talk it over now  
But reason can't stand in for feeling, oh

Six o'clock the baby will be crying  
And you will stumble, sleeping to the door  
In the chill and solemn gray of morning  
We play the parts that we have learned too well

Oh I've lost you, oh, I've lost you  
Oh, You won't admit it so  
I've lost you on a journey,  
But I can't remember where or when no more

Oh, I've lost you yes, I've lost you  
I can't reach you anymore  
We ought to talk it over now  
But reason can't stand in for feeling, oh

Oh, I've lost you yes, I've lost you  
I can't reach you anymore  
We ought to talk it over now  
But reason can't stand in for feeling, oh
