

I Want To Be Free 2 by Elvis Presley
Capo on 4 (Key of E)

Intro:

C - F - G

1. There's no joy in my heart, only sorrow, (G)

And I'm as sad as a man can be. (G)

I sit alone in the darkness of my lonely room,

And this room is a prison to me. (F) C

CHORUS:

I look out my window, and what do I see?

I see a bird, way up in a tree.

I wanna be free, free..free-ee-ee.

I wanna be free, like the bird in the tree. (F) C

2. What good are my eyes, they can't see you. (G)

And my arms, they can't hold you so tight. (G)

I have two lips that are yearning,

but they're no good to me,

'Cause I know I can't kiss you tonight. (F) C

(CHORUS)
