

IF I WERE YOU - ELVIS PRESLEY  
(Words and music by Nelson)

The sandman comes to my house late each night  
But it's way in the morning before he turns out my life  
It's times like this my darling I can see  
If I were you I'd know that I love me

The great snowman I've been called by all  
But it looks like this time I'm gonna fall  
It's times like this my darling I can see  
Oooh If I were you I'd know that I love me

Wind and rain and storm closin' in on me  
I've walked the streets alone with my self sympathy  
Can you hear me saying hopefully  
Oooh If I were you I'd know that I love me

Wind and rain and storm closin' in on me  
I've walked the streets alone with my self sympathy  
Can you hear me saying hopefully  
If I were you I'd know that I love me  
Oooh If I were you I'd know that I love me  
If I were you I'd know that I love me
