A clock that's ringing says it's time
G
Wake up to my destiny
A7 D
It's time to face reality

It's only love that I feel inside
G D
But I'll get by somehow

It's only love
G A7
There must be something else for me girl

There's nothing left for me to feel
G
I'll just be going on my way

Tomorrow brings another day

It's only love only love that I feel inside

G A7 G
Take my heart and my pride and just throw it aside
