

**My Happiness 1 by Elvis Presley**

C  
Evenin' shadows make me blue  
F C  
When each weary day is through  
G7 C  
How I long to be with you my happiness

F  
Everyday I reminisce  
C  
Dreaming of your tender kiss  
G7 D G7  
Always thinking how I miss, my happiness

**Chorus:**

C  
A million years it seems  
F C  
Have gone by since we shared our dreams

But I'll hold you again  
G7 C  
There'll be no blue memories then  
F  
Where the skies are grey or blue  
C  
Any place on earth will do  
G7 D G7  
Just as long as I'm with you, my happiness

**Chorus**
