

NEVER ENDING - ELVIS PRESLEY  
(Words and music by Kaye - Springer)

Walk down to the beach at sunset  
Look as far as you can see  
You will find that endless ocean  
And that's how my love will always be

I bring you never ending, never ending  
never ending, never ending  
never ending, never ending love

Look up at the sky at midnight  
Gaze up on the starlit view  
Just as heaven has no boundaries  
Neither does my love for you

I bring you never ending, never ending  
never ending, never ending  
never ending, never ending love  
Never ending love  
Never ending love  
Never ending love  
Never ending love
