

No More

Capo 4

Intro on E

E
 No More do I see the starlight caress your
 B7
 Hair No More feel the tender kisses we used
 E
 to share.I close my eyes and clearly my
 B7
 heart remembers a thousand good-byes could
 E
 never put out the embers.

B7
 Darling I love you so and my heart forever
 will belong to the memory of the love that
 E
 we knew before.

Please come back to my arms,we belong
 B7
 together come to me let's be sweethearts
 E
 again and then let us part No More.

Change key for this part play it in F

F
 No More do I feel the touch of your hand on
 C7
 mine No More see the lovelight making your
 F
 dark eyes shine.Oh how I wish I never had
 C7
 caused you sorrow don't ever say for us
 F
 there is no tomorrow.

Darling I love you so and my heart
 C7
 forever will belong to the memory of the
 F
 love that we knew before.Please come back to
 C7
 my arms,we belong together come to me let's
 F
 be sweethearts again and then let us part No More.

F then go to F# and end on F.
