

## SAVED - ELVIS PRESLEY

(Words and music by Leiber - Stoller)

I wanna soothe my my heart, I wanna ease my mind  
I wanna move my shoes and see what I can find  
I wanna stand up tall and open up my eyes  
I wanna reach out my hand until I touch the skies  
I was a poor lost lamb in a deep dark hole  
But now I've found that light I'm gonna save my soul  
I used to drink, I used to smoke  
I used to smoke, drink and dance the hoochy-coo  
I used to smoke and drink, smoke and drink and dance the hoochy-coo  
Oh Oh yeah! And now I'm standing on this corner praying for me and you

Ah-haha That's why I'm saved I'm saved  
People let me tell you 'bout kingdom come  
You know I'm saved I'm saved  
Well I can preach until you're deaf and dumb  
I'm in that soul saving army beating on a big bass drum

I used to cuss, I used to fuss  
I used to fuss, cuss, boogie all night long  
I used to cuss and fuss, cuss and fuss,  
Cuss and fuss and boogie all night long  
Ah-haha And now I'm standing on this corner, I know right from wrong

That's why I'm saved I'm saved  
People let me tell you 'bout kingdom come  
You know I'm saved I'm saved  
Well I can preach until you're deaf and dumb  
I'm in that soul saving army beating on a big bass drum

I used to lie, I used to cheat  
I used to lie, cheat, step on people's feet  
I used to lie and cheat, lie and cheat and step on people's feet  
Well now I'm steppin' on that glory salvation in my beat

Because I'm saved, I'm saved  
People let me tell you 'bout kingdom come  
I am saved I'm saved  
Well I can preach until you're deaf and dumb  
I'm in that soul saving army beating on a big bass drum

I'm in that soul saving army beating on a big bass drum  
Oh oh yeah! Because I'm saved, I'm saved  
People let me tell you 'bout kingdom come  
You know I'm saved I'm saved  
Well I can preach until you're deaf and dumb  
I'm saved, I'm saved I'm saved
