

STEPPIN' OUT OF LINE - ELVIS PRESLEY

(Words and music: Fred Wise / Ben Weisman / Dolores Fuller)

Listen, little lady, youre steppin out of line,
Whats your hurry baby, you got a lot of time,
Well thats not love you feel, its only make believe,
Watch out, youll break the heart youre wearing on you sleeve.

Cheating with your kisses,
You think you know it all,
Old worry gonna get you, youre riding for a fall
Better slow it down, I see a danger sign,
Cause the way youre steppin around
Youre steppin out of line,
Youre steppin out of line.

Youre cheating with your kisses,
You think you know it all,
Old worry gonna get you, youre riding for a fall
Better slow it down, I see a danger sign,
Cause the way youre steppin around
Youre steppin out of line,
Youre steppin out of line.
Youre steppin out of line,
Well, youre steppin out of line.
