

THIS TIME / I CAN'T STOP LOVING YOU - ELVIS PRESLEY  
(Words and music by Chips Moman / Don Gibson)

I'll just jump in there whenever I get the chance

I think I forgot to wear my cup  
That's just my way of loving you  
This time we're really breaking up  
I know I forgot to wear my cup  
Daa da dum  
Those happy hours that we once knew  
So apart still make me blue  
I know that time heals a broken heart  
But time has stood still since we've been apart

I can't stop loving you  
I said I made up my mind  
To live in memory of a lonesome time  
I can't stop wanting you  
Its useless to say  
So I'll just live my life  
In dreams of yesterday

Those happy hours that we once knew  
So long ago you know they still make be blue  
They say that time heals a broken heart  
But time has stood still since we've been apart

I can't stop loving you  
I said I made up my mind  
To live in memory of a lonesome time  
I can't stop wanting you  
Its useless to say  
So I'll just live my life  
In dreams of yesterday  
Mmmmm my life in dreams of yesterday
