

WOLF CALL - ELVIS PRESLEY  
(Words and music by Giant - Baum - Kaye)

Flip, flop with kay-eye (?)

What a cutie pie I see  
Oops shoop doo-wah  
Lips of honey that's for me

Shim sham shimmie  
I might forget you baby, there's no doubt  
I saw you standing 'gainst the wall  
I whistled and I gave my all  
Now don't tell me you don't fall  
For that wolf call

Just a little kiss'll put me in a whirl  
I'll never whistle dearie at another girl  
You love me well we'll have a ball  
Why do you try to stall  
Now don't tell me you don't fall  
For that wolf call  
For that wolf call  
For that wolf call
