

Bring Your Loving Gifts to Jesus**Words: Fanny Crosby, 1896. Music: William Thiel.**

Bring your loving gifts to Jesus,
Willing let it be;
Once for you His life He offered,
Died on Calvary;
Turn not from His gentle pleading,
Tho' perhaps your store is small,
From His great and wondrous bounty
God provides your all.

Refrain

Come with songs of glad rejoicing,
Bring your gift with earnest prayer
Waiting for the blessed harvest,
Fruits of joy to bear.

In the name of Jesus only,
Give with lavish hand;
Seek your Master's cause to honor,
This is His command;
Come, oh come, ye sons of Zion,
Bring your offering to the Lord;
Yield your treasure to His keeping,
Asking no reward.

Refrain

Aid to spread His holy Gospel,
Send the news abroad;
Tell the world the heav'nly tidings
Winning souls for God;
Weary not in faithful service,
Toiling on from sun to sun;
By and by shall Jesus whisper,
"Thou hast nobly done."
