

### Trusting and Hoping

Words: Fanny Crosby, 1889. Music: Howard Doane.

I am rejoicing, trusting and hoping;  
Looking to Jesus, Savior divine;  
He is my refuge; softly He whispers,  
"I have redeemed thee, child, thou art Mine."

#### Refrain

I am rejoicing, ever rejoicing,  
Trusting and hoping all the day long;  
Looking to Jesus, only to Jesus;  
He is my refuge, comfort and song.

I am rejoicing, trusting and hoping;  
He is my Savior; what shall I fear?  
He like a shepherd leadeth me gently,  
Close by the waters flowing so clear.

#### Refrain

I am rejoicing, trusting and hoping;  
Into the mansions waiting above,  
Clothed in His brightness, He will receive me,  
Heir to His kingdom, child of His love.
