

Ain't You Got a Right

Ain't You Got a Right

Ain't you got a right

Ain't you got a right

Ain't you got a right

Ain't you got a right

Ain't you got a right

Ain't you got a right

To the tree of life

Go tell my brothers

Go tell my sisters

You come from a distance

I know you've had a hard time

So rocky was the road

So tedious was the journey

There's almost certainly more to this. Guy and Candy Carawan
adapted it from an old Southern hymn. JN
